

If you know all the apes

by Carlo Giacomà

[SPOKEN] did you know that there are lot of apes in the wild?
what is your favorite ape?

if you know all the apes clap your hands
if you know all the apes clap your hands
if you know all the apes you have got five terrific days
to shout out and call the apes clap your hands

if you really love the chimps do like this
hhuhhhuhuh
if you really love the chimps do like this
hhuhhhuhuh
cause the chimp likes to play with tarzan all the day
if you really love the chimps do like this hhhuhhhuhuh

In the wild the baboon's grooming shout *hurray hurray*
In the wild the baboon's grooming shout *hurray hurray*
in the wild the baboon's grooming and his friend likes what he is doing
In the wild the baboon's grooming shout *hurray hurray*

if you really love gorilla pound your chest
if you really love gorilla pound your chest
every time you sing this song you look just like king Kong
if you really love gorilla pound your chest

If you like orang utang stomp your feet
If you like orang utang stomp your feet
when is starting to go bald does it means is getting old
If you like orang utang stomp your feet

If you're happy and you know it, do all three (clap-clap, stomp-stomp, hoo-ray!)
If you're happy and you know it, do all three (clap-clap, stomp-stomp, hoo-ray!)
If you're happy and you know it, then your face will surely show it
If you're happy and you know it, do all three. (clap-clap, stomp-stomp, hoo-ray)
